

## SEEHAFEN ROSTOCK Umschlagsgesellschaft mbH

Seehafen Rostock Umschlagsgesellschaft mbH (SHRU) is **the company** for cargo handling, storage, transport and logistics in Rostock. SHRU is equipped with efficient cargo handling facilities and modern quays for oil, grain, fertilizer, ore, coal, building materials and general cargo as well as RoRo transport and has large storage capacities. The extremely attractive infrastructure with connections by rail, road, motorways and pipelines makes SHRU and its subsidiaries **the handling centre** of the Baltic region.

The company offers its customers more than just cargo handling and combines services for the port as well as for the ships.

SHRU offers prompt, a highly efficient and more reliable handling with first-class-service-

*logistics par excellence.*
